

Fuba OAE 940

Article number: 29104012

The Fuba OAE 940 is an optic Quattro-Switch-terminal unit with DVB-T, DAB and FM for direct connection with 4 terminal devices.

Technical specification

- Quattro-Switch- unit for direct connection with 4 terminal devices

Technical specification

Product type	Quattro-Switch-terminal unit
EAN	4050414040129
Operating temperature	-15°C...+ 55°C
Inputs	1 (optic, FC/PC)
Outputs	4 (4 x SAT incl. terrestrial)
Range of frequencies	Sat. 950...5450 MHz
Input level	Sat. max. -15 dBm... +/- 0 dBm
Output level terr. max.	ca. 75 dBμV
Output frequencies range	SAT: 950...2150 MHz, DVB-T: 470...790 MHz, DAB: 147...240 MHz, FM: 88...108MHz
Output level	ca. 70 dBμV
Waves lenght	1100 nm...1650 nm
Switch mode	13/18 V, 0/22 KHz
Input mA	max. 225 mA
Power supply	11...20 V DC (over receiver or external power supply)
Weight	333 g
Dimensions BxHxT (mm)	129 x 117 x 27
