

Fast Wireless Charging Pad - 15 W

Wireless Charger, 15 W / 10 W / 7.5 W / 5 W Output, White

Part No.: **406024**

EAN-13: 0766623406024 | UPC: 766623406024

Convenient Qi[®]-compatible wireless charger for iPhone[®], Android[™] phones and more

Juice up your phone, earbuds or smartwatch simply by placing them in the center of the Manhattan Fast Wireless Charging Pad - 15 W. You never need to fuss around with plugging and unplugging cables again - just set your device down and power up. A very subtle and therefore sleep-friendly blue LED light lets you know where you are in the charging process, which is great if you use this charger on your nightstand.

Maximum compatibility with all Qi-enabled devices

This Manhattan wireless charger allows Qi-compatible fast-charging with all phones that support it. With power up to 15 W / 10 W / 7.5 W for phones from Google[™], Samsung[®], LG, Apple[®] and more, you'll be ready to go in no time. You can also charge other devices such as AirPods[®], cases and smartwatches.

Superior safety and through-case charging

This Manhattan power solution charges through phone cases up to 6 mm (0.24 in.) thick. If you place a metallic item like a key on the charging area, the Foreign Object Detection (FOD) mechanism will automatically shut off the charger. The nonslip rubber helps to grip your phone, keeping it safely in place while charging. Plus, overload, overcurrent and overheating protection guarantee maximum safety.

Features:

- Wirelessly fast-charges Qi[™]-compatible devices - phones, cases, earbuds, smartwatches and more - with power up to 15 W
- Overload, overcurrent and overheating protection
- Foreign Object Detection (FOD) to prevent interference or device damage from foreign metal objects
- Effective wireless charging through phone cases up to 6 mm (0.24 in.) thick
- Rubberized charging area to prevent your device from slipping
- Sleep-friendly, subtle LED indicators for easy status monitoring
- USB-C to USB-A charging cable included
- Quick Charge[™] (QC 2.0/3.0) or Power Delivery power adapter required for fast-charge mode (available from Manhattan)
- Three-year warranty

Specifications:**Standards and Certifications**

- CE
- RoHS
- REACH
- FCC
- UKCA

General

- USB-C input: DC 5.0 V / 2.9 A - 9.0 V / 2.0 A
- Charging distance: ≤6 mm (0.24 in.)
- Charging efficiency: ≤73%
- Wattage settings (maximum):
 - 5.0 W / 7.5 W / 10.0 W / 15.0 W
- Stand-by power consumption: <0.1 W
- Qi-compatible devices including but not limited to: iPhone[®] 13, 13 Pro, 13 Pro Max, 13 mini, SE 2022, 12, 12 mini, 12 Pro, 12 Pro Max, X, XS, XS Max, XR, 8 Plus, 8; Samsung[®] Galaxy S22, S22 Ultra, S21, S20, S10, S10 Plus, S10E, S9, S9 Plus, Note 9, S8, S8 Plus, Note 8, S7 Edge, S7, S6 Edge plus, Note 5; Google Pixel[™] 6, 6XL, 5, 5XL, 4, 4 XL, 3, 3 XL; LG V60 ThinQ[™], V50 ThinQ, V50, V40 ThinQ, V35, V30+, V30, G8 ThinQ, G8, G6; AirPods[®] with Wireless Charging Case, and AirPods Pro[®], phones from Huawei[®], Asus[®], Sony[®] and more

Protection Characteristics

- Short-circuit (SCP) with auto-recovery mode
- Overvoltage (OVP) with auto-recovery mode
- Overcurrent (OCP) — current limit: 150% (max)
- Over-temperature (OTP)
- Foreign Object Detection (FOD)

Physical

- Dimensions (L x W x H): 100 x 100 x 11 mm (3.94 x 3.94 x 0.43 in.)
- Net weight: 52 g (1.83 oz.)
- Gross weight: 140 g (4.94 oz.)
- Housing: ABS plastic

Operating Environment

- Operation temperature: 0 - 40°C (32 - 104°F)
- Storage temperature: -20 - 65°C (-4 - 149°F)
- Humidity (noncondensing): 10 - 90%

Package Contents

- Fast Wireless Charging Pad - 15 W
- Charging cable, USB-C to USB-A, 80 cm (2.6 ft.)
